Nominations received after the deadline will not be considered.

ACGME International Award: Physician Educator

Checklist for Nomination Materials

Eligibility Requirements

Requirements must be met at the time of nomination submission; Deadline: 15 May 2022

- Current program director or faculty member in an ACGME-I-accredited Sponsoring Institution, residency, or fellowship; **and**
- Physician educator with significant “hands on” mentoring of residents/fellows for at least five years

Criteria for Selection

Nominees must:

- meet eligibility requirements
- integrate ACGME-I Core Competencies
- promote the values of the ACGME-I, to include:
 - development in all six competency areas in the residents and fellows
 - values of patient safety, quality improvement, and outcomes assessment
 - faculty development
 - evaluative contributions that provide valuable feedback to residents and fellows
 - advocates for well-being of residents and fellows
 - participate in national/international medical education scholarly activities to further graduate medical education
- demonstrate fulfillment of responsibilities/requirements of ACGME-I accreditation, to include:
 - participation in institutional/program committees that address education
 - completion of evaluation forms, surveys, and other tools addressing resident/fellow progress
 - advocacy for development of educational processes with emphasis on patient care and on resident development

Nomination Instructions

Three components are required for nomination:

1. A completed Nomination Form
2. Three letters of support (each letter must be 500 words or less)
3. A current Curriculum Vitae

About the Letters of Support

- Letters should be addressed to ACGME Awards Committee.
- One of the letters must be from the nominator.
- A second letter must be from a person in leadership and a colleague.
- A third letter must be from an individual currently in training or recent graduate (within two years).
- The letters should show how the nominee has met the criteria for selection listed above, with the most relevant information centering on skills as a mentor and guide to a physician’s value base for a career.

Nominations will be valid for three cycles of awards.
